

SEPTEMBER IS NATIONAL EMERGENCY PREPAREDNESS MONTH

National Emergency Preparedness Month encourages us to be prepared for disasters or emergencies in our homes, businesses, and communities. In recognition of this important month, Devens is giving away free reusable tote bags with an emergency planning guide included. We also have information on disaster preparedness for seniors as well. The free tote bags and emergency planning information is available at the Devens

Enterprise Commission and Devens Eco-Efficiency Center offices (33 Andrews Parkway, Devens, MA), as well as the Devens Fire Department (182 Jackson Road, Devens, MA).

Homeowners, families, and businesses can use this opportunity to find ways or help others understand more about preparing for disasters and reducing risks to health and the environment. Devens is well prepared to respond to natural disasters and other emergencies and recently completed a Municipal Vulnerability Preparedness (MVP) Plan to further assist us in responding to the increasing frequency and intensity of storm events and other natural disasters as a result of climate change. You can view the Community Resilience Building Devens MVP plan at:
