Re: Applewild School as an Exempt Use Under the Zoning By-Laws of the Devens Regional Enterprise Zone

Dear Mr. Angus:

Please accept this letter as support for the request of Applewild School to be considered as an Exempt Use under Chapter VI, Section D.5. of the Zoning By-Laws of the Devens Regional Enterprise Zone in connection with its proposed new location on a portion of land located within the Open Space and Recreation zoning district at 27 Antietam Street. Applewild has been a valued member of the Devens community for years, as it has provided much in-demand preschool services from its current location at 27 Jackson Road. Applewild is a nonprofit corporation whose educational purpose at its existing Devens location and campus in Fitchburg is readily apparent. Accordingly, the Agency supports the request of Applewild for the Devens Enterprise Commission to determine Applewild is an Exempt Use under the relevant section of the Devens Zoning By-Laws.

Should you have any questions or wish to discuss the matter in greater detail please do not hesitate to contact me or Robert Jenkins, SVP, Real Estate Development directly.

Best regards,

Meg Delorier
