I would like the Commissioners to consider setting aside \$50,000 to support Devens non-profits in FY21. By July 1 the federal support for nonprofits in the federal stimulus and recover funding will be running out and many of our local nonprofits will be on life support. A much needed cash infusion from the DEC would be much appreciated and maintain our commitment to the ReUse Plans requirements for striking a balance between Economic Development, Environmental Protection and Social Equity. Below is a list of Devens non-profits.

Fort Devens Museum

Loaves and Fishes

NRWA

NVCOC

Guild of St Agnes (child care)

Clear Path for Veterans New England

Freedom's Way National Heritage Area

Seven Hills Foundation

Central Mass Veterans

United Native American Cultural Center

I have not included Schools such as Parker Charter and Applewilde.

We are in the unique position of having a large infusion of funds and anticipating additional projects on a similar scale. Even if these do not materialize, we will still have a large cash reserve.
