**RE: Acquisition of Liquor License and Common Victualler's License to Bandoleros Mexican Grill**

The Mexican Grill, Inc., dba Bandoleros has acquired the lease at 4 Ryans Way, the former Devens Grill and is seeking to acquire a liquor license for the property. A Common Victualler's license is also being sought. The process involves the DEC voting to authorize the license and sending that information to the State Alcohol Beverage Control Commission (ABCC) who will conduct the required background check, etc. Then the State will send the license back to the DEC to distribute to the new license holder.

The heavy lifting is done by ABCC. Staff recommends granting the transfer of the license to Mexican Grill, Inc. dba Bandoleros at 4 Ryans Way.
