Dear Peter,

The Nashua River Watershed Association received \$5,000 on Check #141630 dated June 24, 2020, as approved by the Devens Enterprise Commission. As you know, this unrestricted funding is extremely helpful.

We very much appreciate the Devens Enterprise Commission voting to provide the Nashua River Watershed Association with this FY20 \$5,000 of unrestricted funding, and, an additional \$5,000 in FY21. I have enclosed an Invoice for the FY21 funds.

As I said in my April 27th letter to you, the Nashua River Watershed Association from the outset embraced the goal of redeveloping the former Fort Devens as a model of sustainable development. The Association is proud to have played a role in Devens's successful sustainability journey, and looks forward to the future.

Peter, thank you, and please do thank all the Commissioners for us.

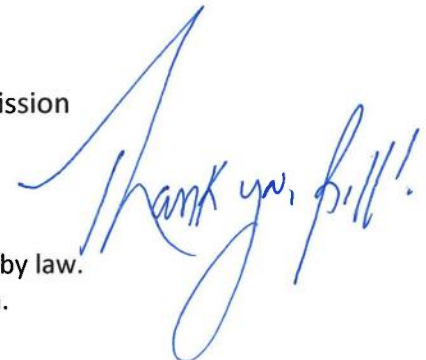

Sincerely,

Elizabeth Ainsley Campbell
NRWA Executive Director
