# WORLD ENVIRONMENT DAY

## Volunteer Opportunities

for Corporate or Other Volunteer Groups to Help with  
Devens Habitat Restoration Projects

Contact DEC for options! We have flexibility with dates and times.

Celebrate World Environment Day and join us for a workday to learn about habitat restoration with an active, hands-on event! Participants should come prepared wearing work gloves, closed toes shoes, long sleeves, pants and shoes suitable for hiking. Bring water and bug spray. Shovels and loppers are helpful to bring if you have them. Snacks will be provided.

Invasive species of concern at Devens include:

Autumn Olive (left) + Oriental Bittersweet (right)
