## **The DEC Welcomes Beth Suedmeyer as their new Associate Planner – 9/20/22**

Devens Enterprise Commission (DEC) is excited to welcome Beth Suedmeyer as their new Associate Planner. Beth brings a diverse background in municipal permitting, planning, sustainability, natural resource management, transportation and environmental design and will be assisting the DEC Director and Environmental Planner the in the day-to-day permitting, planning and sustainable redevelopment of Devens. Beth began this new role in early September and is a welcome addition to the Devens team.

Prior to coming to Devens, Beth was an Environmental Planner for the Town of Sudbury where she administered municipal permitting, managed the development and design of the Bruce Freeman Rail Trail project, and facilitated resiliency, open space, recreation, and transportation planning projects. Prior to Sudbury, she worked for the State in various capacities at the Department of Transportation, Department of Conservation and Recreation, and Office of Coastal Zone Management.

Beth has a Bachelor of Science Degree in Biology from the University of Illinois, Champaign-Urbana and a Master's Degree in Geographic Information Science for International Development, Community, and Environment from Clark University in Worcester.

Beth is a resident of Ayer and enjoys outdoor adventures with her family and friends, playing in her garden, and shopping and eating locally. She plans to take advantage of her shorter commute and travel by bicycle to and from her new Devens office as much as possible.

Please join us in welcoming Beth to our team and feel free to stop by our office and say hi! Beth can be reached at:
